PRE-APPEAL BRIEF REQUEST FOR REVIEW

Box AF

U.S. Patent and Trademark Office
Customer Service Window
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

Applicants respectfully request review of the final rejection in the above-identified application. No amendments are being filed with this request. This request is being filed with a Notice of Appeal. The review is requested for the reasons stated in the below remarks. If any fees are required or if an overpayment is made, the Commissioner is authorized to debit or credit our Deposit Account No. 19-0733, accordingly.

Remarks

Having received and reviewed the final Office Action dated July 12, 2006, and the Advisory Action dated September 13, 2006, Applicants respectfully submit that the standing rejections are based on one or more clear errors, and that the appeal process can be avoided through a pre-appeal brief review as set forth in the Official Gazette notice of July 12, 2005.

The pending rejections fail to address all the claim limitations, and exhibit clear factual and legal errors with respect to the cited references. The specific errors relied upon in this Pre-Appeal Brief Request for Review include the following:

- The Office exhibited clear error in its mistaken analysis and application of the Janik reference (U.S. Publ. No. 2004/0253945) with respect to the claims, as argued in Applicants' amendment dated August 25, 2006, at pp. 6-9, and Applicants' amendment dated May 2, 2006, at pp. 7-10. For example, the Office erred with respect to claims 1-9 insofar as Janik does not teach or suggest a publisher record, a composite record or synchronization between a publisher record and a composite record on the same computing device.

While Applicants believe the above points represent the clearest errors made by the Office, Applicants reserve the right to appeal on other bases and errors. In addition, Applicants believe the rejections of other claims not identified above are also based on one or more Office errors. Applicants will address such issues on appeal should the appeal of this case proceed after the Office's consideration of this paper.

CONCLUSION

All issues having been addressed, Applicants respectfully submit that the instant application is in condition for allowance, and respectfully solicit prompt notification of the same. However, if for any reason the review panel believes the application is not in condition for allowance or there are any questions, the review panel is invited to contact the undersigned at (202) 824-3156.

Respectfully submitted,

BANNER & WITCOFF, LTD.
